International Day of Peace, Sept 21st 2009

In 1983, the United Nations designated September 21st as the International Day of Peace to support individuals, communities, and organizations in promoting peace.

Join IIWP in making an intention to focus on peace and “cease againstness” in all forms for the entire day. We invite you to create a peace event in your community, either on September 21st or on the weekend of September 19th – 20th.

For more information, please contact IIWP at 323-328-1905 or peace@iiwp.org, or you can visit our website at www.iiwp.org

Ideas for Peace Events & Intentions

♥ Set your intention first thing in the morning so that, when opportunities and challenges appear, your intention is to choose toward greater peace rather than againstness.

♥ Use a quote from John-Roger’s “Loving Each Day for Peacemakers” book as a focus of peace for your day. For more on this beautiful book, simply use this link:

♥ Sponsor an IIWP Peace Workshop or Peacemakers meeting in your community or home. For more information, contact IIWP at 323-328-1905 or peace@iiwp.org

♥ Create a group in your community to participate in IIWP's next Worldwide 33-Day Worldwide Peace Prayer, beginning Sept. 1st. Come together as a group at some point between Sept 19 – 21st to share your experiences & do the Peace Prayer together. Use this link for more on the Peace Prayer:

♥ Join others at 12:00 noon your time on September 21st for 1 minute (or more) of silence and prayer for peace.

♥ Plant a peace pole or have a world peace flag ceremony (www.worldpeace.org)

♥ Ring a bell, light a candle for peace

♥ Sponsor meditations, prayer, peace dedications, peace concerts, or any event where people gather with a focus on peace.

♥ Organize or participate in a community service project, such as serving those in need in nursing homes, shelters, or assisting in neighborhood church projects.

♥ Create a “kindness” group, where you all engage in random acts of kindness for the month of September, and come together sometime between Sept. 19 – 21st to share your experiences.

“The most important thing you can do to experience peace is to cease doing againstness.”
